

Network Defence Hosts Free Breakfast Seminar at The Lowry

Industry experts discuss legal challenges and obligations surrounding company emails at breakfast seminar, Wednesday 16th December

27 November- 2009 – Leading IT and data security specialists Network Defence is holding a free breakfast seminar at The Lowry, providing businesses the opportunity to find out more about and discuss the legal challenges and obligations surrounding company emails and solutions, with industry experts.

Alongside Network Defence; Jess Enderby, Head of Intellectual Property at nexus solicitors and Dave Gill, UK Channels Manager for Barracuda Networks will look at how to overcome email legality issues with technology solutions which support best practice, regulatory compliance and improve business efficiency.

The seminar which begins with registration and complimentary breakfast at 8.30 am on Wednesday 16th December at The Lowry, Salford Quays, includes:

- Introduction from Network Defence
- Discussion on the legal challenges surrounding email, including:
 - Regulatory and legal requirements
 - Litigation and eDiscovery issues
 - Best practice, including Do's and Don'ts of email and document retention policies
- Presentation on email archiving solutions
- Guided tour of The Lowry

To register for the seminar please email register@networkdefence.com or visit www.networkdefence.com for more details.
